DEAD MAN'S IDENTITY STILL UNESTABLISHED

Up to the present time the identity of the white man who was killed by an L. & N. passenger train near Kiserston, remains unsolved. Coroner Rudolph Davis forwarded to the Chief of Police at Muncie, Indiana, a photograph of the dead man, in the hope of learning something of the man's relatives. A photograph was also sent to the authorities at Cincinnati, where it is hoped a clue may be picked up. Nothing had been heard from either place up to last night.

DENNIS SNAPP RE-ELECTED

Dennis V. Snapp, of Paris, who has so ably and efficiently filled the position of Field Secretary of the Kentucky Conference Sunday School Board of the Methodist Church, will fill that office for another term. At the session of the conference held in Lexington, Wednesday, Mr. Snapp was re-elected Field Secretary by a unanimous vote, thus putting the seal of official approval on his conduct of that important office in the past. Mr. Snapp will continue to make his headquarters in Paris.

The Field Secretary's report of work for 1919-20 showed that Mr. Snapp had traveled 9,165 miles, was absent from his office on official business 145 days, had visited 57 schools, and had made 80 addresses.

The annual report of the work of the State Epworth League, compiled under the supervision of Mr. Snapp, president of the League, and his co-workers, has been completed and delivered from THE NEWS job rooms. The book comprises forty-four pages of neatly-printed, showing the full proceedings of the conference and the reports of the workers and committees.

POPULAR REAL ESTATE FIRM IN NEW QUARTERS.

Owing to their rapidly increasing business Mitchell, Moreland & Mitchell, real estate dealers, have leased the entire second floor of the Peoples Pharmacy building, between Sixth and Seventh streets, and moved Wednesday to their new quarters. The firm has only been in business six months and their quarters in the First National Bank building were entirely too small. They have been successful selling city and farm property every week. It you have property for sale list it with us. If you are in the market for a home in the city or a farm, big or little, we have it. Our dealings are strictly on the square with both seller and buyer. Remember our new location—upstairs over the Peoples Pharmacy.

Fine Perfumes.

No perfumes are good that are not lasting.

Cheap perfumes will not last and they are a damage to anyone who uses them. They are poor taste.

By cheap perfumes we mean perfumes that are made just to sell.

We sell good perfumes, perfumes made by houses with reputations to sustain.

Some of these perfumes are not high priced, but the quality is always there.

Hudnut's and Colgate's perfumes are equal to any. We sell them in bulk or in package for \$1.00 an ounce. Finer grades for more money.

These perfumes last.

We sell the fine French perfumes, too. Hubigan's, Piver's, Mary Garden, Djerkins, Roger & Gallett, and others. These are considered the best and we sell them in bulk or package from 50c. worth up to \$5.00.
